

General > Trackpad & Mouse (Allgemein > Trackpad & Maus)

TRACKING SPEED (Zeigerbewegung)

Accessibility > Touch > AssistiveTouch (Bedienungshilfen > Tippen > AssistiveTouch)

AssistiveTouch

AssistiveTouch allows you to use your iPad if you have difficulty touching the screen or if you require an adaptive accessory.

TRACKING SENSITIVITY (Zeigerempfindlichkeit)

Dwell Control

1,00 Seconds (Benutzerspezifisch)

- +

When Dwell Control is enabled, holding the cursor still for the specified amount of time will perform the selected dwell action.

Accessibility > Touch > AssistiveTouch > Movement Tolerance (Bewegungstoleranz)

The distance you can move while dwelling on an item. If you move beyond this limit, the dwell action isn't performed.

(Benutzerspezifisch)

Accessibility > Pointer Control (Bedienungshilfen > Zeigersteuerung)

POINTER SIZE (Benutzerspezifisch)

Pointer Animations (Mauszeiger-Animation ausschalten)

Allow the pointer to animate and adapt to elements on the screen.
